1. A 'looked after child' or a child who was previously looked after
2. Children of members of staff who are employed by Chilwell School. This constitutes any adult employed on a permanent full or part time basis by the governing body of Chilwell School for two or more years at the time the application for admission is made OR a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.
3. Children who attend the Chilwell family of Schools (The Lanes Primary school, John Clifford Primary school and Beeston Rylands Junior school) who were on the roll at the time of application and who were still on roll on the closing date for applications. Within this category first priority will be given to those who will have a brother or sister attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births from the Chilwell family we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
4. Children not attending the Chilwell family of schools who will have a brother or sister attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
5. Remaining places will be allocated to the child who lives closest to the school. Distance is measured from the child's home to the entrance of the school (reception) in a straight line (as the crow flies) determined by Ordnance Survey Data, using the Nottinghamshire County Council's computerised distance measuring software. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

Year 12

1. A 'looked after child' or a child who was previously looked after
2. Pupils transferring from other schools who meet the school's minimum entry requirements (At least 40 places will be available for pupils transferring from other schools.).

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:

- I. Whether there is a brother or sister on Chilwell School roll at the time of entry to the sixth form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
- II. Priority will be given to children who live nearest to the school as the crow flies (by straight line). Distances are measured from the main administrative point at the school campus to an address point (using eastings and northings as defined by Ordnance Survey) to the child's home using the local authority's computerised distance measuring software. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.
