1. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).'
2. Children of members of staff who are employed by Chilwell School. This constitutes any adult employed on a permanent full or part time basis by the governing body of Chilwell School for two or more years at the time the application for admission is made OR a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.
3. Children who attend the linked primary schools (The Lanes Primary School, John Clifford Primary School and Rylands Junior School) at the time of the closing date for applications. Within this category, first priority will be given to those who will have a brother or sister attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births from the Chilwell family, we will endeavour to offer the relevant number of places admitting above the planned admission number where necessary.
4. Children not attending the Chilwell family of schools who will have a sibling attending Chilwell School at the time of admission. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
5. Remaining places will be allocated to the child who lives closest to the school. Distance is measured from the child's home to the entrance of the school (reception) in a straight line (as the crow flies) calculated using 'Google Maps Distance Calculator'.

2. Pupils transferring from other schools who meet the school's minimum entry requirements (At least 40 places will be available for pupils transferring from other schools.).

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:

- (i) Whether there is a sibling on roll at Chilwell School at the time of entry to the sixth form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where necessary.
- (ii) Priority will be given to children who live nearest to the school as the crow flies (by straight line). Distance is measured from the applicant's home to the entrance of the school (reception) in a straight line (as the crow flies) calculated using 'Google Maps Distance Calculator'. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

If places remain available beyond criteria 3 then up to 21 (10%) of places based on our PAN, will be offered to those who can demonstrate an aptitude for technology and could therefore benefit from the distinctive education offered by the West Bridgford School. The parents of those students whose entry is to be based on this aptitude assessment will be required to present their child for the assessment (one hour) at the West Bridgford School in the year preceding entry, details of which will be published within the school's prospectus. All children in this criteria will be ranked by their aptitude score which is then norm referenced to the child's age with preference given to those with the highest score.
5. If places remain available beyond criteria 4 then these will be offered to children who live outside the catchment area and who attend a linked school at the time of the closing date for applications in the year preceding admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the West Bridgford School in years 7-11. All children in this criteria will be ranked by random allocation.
6. If places remain available then these will be offered to other children who do not quality for any of the above criteria with priority given to those who live the nearest to the school. Distance measurements to be made 'as the crow flies' from the home address to the main reception office of the school. No priority is given to siblings in this criteria.

Summary of admission oversubscription criteria 2026-2027**Year 7**

This advice refers to these children as internationally adopted previously looked after children – "IAPLAC".
