

GET INTO

LOGISTICS WITH BOOTS

An exciting opportunity for you to gain experience in warehouse logistics, with 2 weeks on-site work and training at BOOTS. Why not take your first steps into a new career and more...!

On this 2 week programme you'll:

- Gain hands on experience working within one of Boots warehouses based in Nottingham;
- Undertake 2 week training and work-based practice
- Learn about the history of Boots and its success
- Equip you with knowledge and skills to be a success in this industry
- Employment opportunities available after successful completion of 2 week programme and shifts to suit your needs
- Careers support and next steps planning
- No previous experience required
- Travel expenses covered
