

For Nottinghamshire community and voluntary controlled schools, the standard oversubscription criteria are detailed in the *Admissions to schools: Guide for parents*.

The application breakdown at the back of this document is based on information on national offer day 19 April 2022. For academy, foundation and voluntary aided schools which were oversubscribed in the intake year for 2022-2023 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (August 2022) but is subject to change.

Distances are measured from the main administrative point at the school (using eastings and northings as defined by Ordnance Survey) to the child's home using the local authority's computerised distance measuring software.

First admission allocation summary - applications for reception places 2022-2023

For academy, foundation, studio and voluntary aided schools which were oversubscribed, it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of how places were allocated against the oversubscription criteria, you should contact the school for further information. The information is based on national offer day 19 April 2022. (Published admission number = number of places available; no longer required = higher preference has been offered)
