SUPPLEMENTARY APPLICATION FOR FOR THE SCHOOL YEAR 2024/2025

NOTES

1. All applications to the school are initially made using the standard Local Authority preference form, and are treated as applications for a Community place.
2. **This supplementary form should be completed only if you are applying for a Foundation Place.** The Governors will use the supplementary information regarding your family's church attendance and commitment over a sustained period of time (at least monthly, on average, over the two years immediately prior to the application) to help them consider your application for a Foundation Place.
3. Before completing this Supplementary Application Form you should read the "Admissions" page on the school website which describes the arrangements for the school year 2024/2025. Where there are more applicants than places available, School Governors will operate the criteria set out in that document. It is, therefore, essential that you answer all the questions on this form so that Governors can deal fairly with your application on behalf of your child.
4. When completed, this form should be returned to this school by no later than the 15th January 2024. The Governors will consider the application by applying the published criteria, and the Local Authority will inform you of the decision on National Offer Day.
5. If you have any difficulties in the completion of this form, you are asked to contact either the Head Teacher or the Chair of the Governing Body who will be able to help.
6. A large print version of the form is available on request from the School Office.
