Dear Sirs

**Project: The Nottinghamshire County Council (A614/A6097 Junctions Improvement Scheme) Compulsory Purchaser Order 2022**  
**Property: Ollerton Service Station (Saville Filling Station), Old Rufford Road, Ollerton, Nottinghamshire, NG22 9DT**  
**Objector / Our Client: Motor Fuel Group**

I refer to a letter dated 5 October 2022 received from Nottinghamshire County Council in respect of the above matter. I act for the freeholder of the above petrol filling station, Motor Fuel Group ['MFG'] of Gladstone Place, 36-38 Upper Marlborough Road, St Albans, Hertfordshire, AL1 3UU.

My client would like to put forward an objection to the above scheme on the grounds that the exact impact the scheme will have on my client's operational petrol filling station is uncertain, but will it seems reduce the width of their access with the potential to have a detrimental impact on trading.

I look forward to receiving an acknowledgement of the above objection, together with further in-depth detail of the impact these proposals will have on my client's operational petrol filling station.

Yours sincerely
