

## Explore University

Campus day for care-  
experienced and  
estranged students

**Monday 10th July 2023**  
**10am - 3pm**

Nottingham Trent University and the University of Nottingham invites all looked-after, care-experienced and estranged young people age 16+ to join us to explore their options for HE at a free campus day this July.

Young people will work with one another, staff and current students with care-experience from both universities to find out more about options after school or college, life at university, and financial support.

Activities on the day will include an interactive workshop exploring university and the financial support available to students, a Q&A with our care experienced student ambassadors and a chance to take part in a scavenger hunt on NTU's City campus.

Free lunch and refreshments will be provided to both students and those who come along to support them

**[Register now](#) before 3rd July!**
