

For Nottinghamshire community and voluntary controlled schools, the standard oversubscription criteria are detailed in the *Admissions to schools: Guide for parents*.

The application breakdown at the back of this document is based on information on national offer day 16 April 2021. For academy, foundation and voluntary aided schools which were oversubscribed in the intake year for 2021-2022 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (August 2021) but is subject to change.

Ashfield

Infant to junior transfer (year 3) allocation summary - applications for year 3 places 2021-2022

For academy, foundation, studio and voluntary aided schools which were oversubscribed, it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of how places were allocated against the oversubscription criteria, you should contact the school for further information. The information is based on national offer day 16 April 2021. (Published admission number = number of places available; no longer required = higher preference has been offered)
