

For Nottinghamshire community and voluntary controlled schools, the standard oversubscription criteria are detailed in the *Admissions to schools: Guide for parents*.

The application breakdown at the back of this document is based on information on national offer day 16 April 2021. For academy, foundation and voluntary aided schools which were oversubscribed in the intake year for 2021-2022 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (August 2021) but is subject to change.

1. Abbey Primary School (3-11 academy converter)
