Take a look

  @nottsfis

Use Tax-Free Childcare to pay for approved childcare, including holiday clubs, breakfast and after-school clubs, childminders and nurseries.

Working parents with children aged 11 or under can get up to £2,000 per child, per year towards their childcare costs (or up to £4,000 for disabled children 16 or under).

For every £8 you pay in to your account, the government will top up with an extra £2.

Do you need wraparound childcare?
