7. Justification for application to register the land as a town or village green

Note 7

Applicants should provide a summary of the case for registration here and enclose a separate full statement and all other evidence including any witness statements in support of the application.

This information is not needed if a landowner is applying to register the land as a green under section 15(8).

The green has been used by Parisioners, for longer than living memory, as a gathering place for outdoor social events. There are usually two regular events per year, a Carols concert at Christmas and a summer barbeque. Additional events are organised ad hoc to mark special events such as the late Queens Jubilee and King Charles coronation.

The Parish carry out grass cutting on the green and provide and maintain flower tubs thereon.

I have not been able to find any evidence that the use of the area has ever been challenged.

Note 8

Please use a separate sheet if necessary.

Where relevant include reference to title numbers in the register of title held by the Land Registry.

If no one has been identified in this section you should write "none"

None

9. Voluntary registration – declarations of consent from 'relevant leaseholder', and of the proprietor of any 'relevant charge' over the land

None

Note 9

List all such declarations that accompany the application. If none is required, write "none".

11. Any other information relating to the application

The tarmac areas within the the area marked green on the plan were originally cart tracks enabling horse and carts to line themselves up to enter the farm entrances. Over the years the areas have been tarmaced over, by the NCC, but the areas do not appear to have ever been adopted by them.
