

Flooding Hardship Fund

This easy read document tells you about the Nottinghamshire Flooding Hardship Fund, which supports residents and businesses who have been affected by flooding.

What should I do?

If your home has been flooded, you should [contact your local district council](#) to see what support you can get after a flood.

What help can I get?

When the Nottinghamshire Flooding Hardship Fund scheme is activated, people who live in Nottinghamshire whose homes have been flooded can get support from the fund.

The fund can give you a one-off payment of £120.

Small or micro businesses with up to 49 employees, whose business premises have flooded, can apply to get an emergency payment of up to £300 to help them cope with the short-term loss of income because of the flood.

When is the fund available?

The scheme is activated by Nottinghamshire County Council when we decide it is needed, and the scheme and the funds might not be available for every flood.
