

Langar Church of England Primary School **(Part of the Aspire Multi-Academy Trust)**

Admissions for the School Year 2027 - 2028

Application for Places

Our school serves the catchment area of Langar, Barnstone and surrounding areas. Our Published Admission Number (P.A.N.) is 15. Where there are spaces available, we also welcome out of catchment applications.

Please visit the Nottinghamshire County Council School Admissions Hub at <https://www.nottinghamshire.gov.uk/education/school-admissions> for detailed information about school admissions and how to apply for a school place. Applications for the main intake round should be made to your home local authority. Applications made after the start of Reception and all other in-year applications can be made through Nottinghamshire County Council.

N.B. As of 1st September, 2021, a new statutory change involving children who were Internationally Adopted Previously Looked After Children but outside of England (IAPLAC – see definition below). This is a governmental change and does not need to be consulted upon.

Visits Welcome

The opportunity to visit Langar Church of England Primary School and sense the positive and vibrant atmosphere is always available and is something that is encouraged. To arrange a visit, simply ring the school office to make an appointment or email office@langar.notts.sch.uk.

Application for First Admission Places in Primary Education

Children will be admitted to the Foundation class (Reception) in the September following their fourth birthday i.e. children who will reach their fifth birthday between 1st September 2027 and 31st August 2028. Parents/ carers can request that the date their child is admitted to the school be deferred until later in the school year or until their child reaches compulsory school age in that year (School Admissions Code 2021, 2.17b) or they can request that their child attends part time until their child reaches compulsory school age. Children must be attending school no later than the term after they are 5 years old.

Pupils who have an Education, Health and Care Plan (EHCP), where Langar Church of England Primary School is named in the plan, will be admitted.

Admission Oversubscription Criteria

In the event of over subscription, the following admission oversubscription criteria will apply after those children with an Education, Health and Care Plan, which names the school, have been allocated.

Priority will be given to children in the following order:

1. Looked after children and previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A looked after child is a child who is (a) in the care of the Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time the application is made to school.

Previously looked after children are children who were looked after, but ceased to be so because they

were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children's Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangement orders replace residence orders and any residence order in place prior to 22nd April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship'.

Internationally Adopted Previously Looked After Children: To be eligible for IAPLAC priority, the child must appear (to the admission authority) to have been in state care outside of England (in the care of or accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society) and ceased to be in state care as a result of being adopted.

2. Children who live in the catchment area at the closing date for applications and who, at the time of admission, will have a brother or sister attending the school and children who do not live in the catchment area at the closing date for application and who, at the time of admission will have a brother or sister attending the school who was displaced as their Nottinghamshire community catchment area school was oversubscribed at the national offer day for first admission to school.
3. Other children who live in the catchment area at the closing date for applications.
4. Children who live outside the catchment area who, at the time of admission, will have a brother or sister attending the school.
5. Children who live outside the catchment arrangements.

If two or more applications have identical rankings after applying all the above criteria in priority order, lots will be drawn and the process will be independently verified.

If places remain after applicants from the catchment area have been accommodated, places will be allocated as follows: -

- In the event of over-subscription in any criterion, where all applications are deemed equal, preference will be given to the child living nearest to the school 'as the crow flies'. Distances are measured from the main administrative point at the school campus, to an address point (using eastings and northings as defined by Ordnance Survey) to the child's home using the local authority's computerised distance measuring software.

Definition of home address: The child's home address is the address where the child permanently resides and which is the child's principal place of residence. Where a child lives at more than one address, the address used for admission purposes will be the one at which the child spends the majority of the school week. If the child spends equal time at two addresses, parents/carers will be asked to nominate which address should be used for the application. The admission authority may request evidence to confirm a child's home address.

Definition of sibling: A sibling includes a brother or sister who shares the same parents; a half-brother or half-sister living at the same address; an adopted brother or sister living at the same address; a child looked after by a local authority and placed in a foster family with other school-age children; and a stepchild or children who are not related but live together as a family unit at the same address.

Definition of parent/carers: A parent/carers is any person who has parental responsibility for, or has care of, the child.

Late Applications

Late applications (those received after the closing date), are processed in line with the coordinated scheme.

Special Circumstances

Consideration will be given to applicants with medical, special educational or social needs with supporting evidence from a relevant professional. The evidence must be presented at the time of application. Each case will be judged on its merits and the admission authority (the Governing Body) may accord a higher priority to the applicant.

The allocation of any such place will be determined by comparing the written evidence presented along with the capacity for the school for the identified needs. In order to make an assessment of the case, reference may be made to local Head teachers and other relevant professionals. Cases agreed under 'special circumstances' will take precedence over criteria 2 to 5 above.

Multiple Births

Where a child of a multiple birth is admitted, the other child/children will also be admitted.

Waiting List

A waiting list of unsuccessful applicants will be held until 31st December. If places become available before then, offers will be made strictly in accordance with the order of priority listed above. Places on a waiting list can go up or down depending on applications received. Each time a child is added to the waiting list, the list will be ranked again in line with the published oversubscription criteria. After 31st December, parents and carers can make a repeat application through the same route as given above.

Right of Appeal

If a place is not offered, parents / carers have the right of appeal. Such appeals against refusal of a school place, will be heard by an Independent Appeals Panel formed in accordance with the DfE School Admissions Appeals Code. The deadline for lodging appeals allows appellants at least 20 school days from the date of notification that their application was unsuccessful to prepare and lodge their written appeal. Details of the appeals process will be made available to all unsuccessful applicants at the time of refusal.

Fair Access Protocol

Langar Church of England Primary School participates in the LA's Fair Access Protocol and Nottinghamshire County Council's in-year coordinated scheme. Full details are available at <https://www.nottinghamshire.gov.uk/education/school-admissions>

In-Year Applications

We welcome applications for places at Langar Church of England Primary School at any time during the school year, including applications for Reception after the start of the academic year and for children in Years 1 to 6. In the event of over subscription, the above criteria still apply.

Please contact the school office on 01949 860056 if you require clarification on this or any other matter or would like to visit the academy before submitting an application.

Admission of Children Outside the Normal Age Group (including summer born children)

In exceptional circumstances, parents / carers may seek a place for their child outside of the normal age group. In addition, the parents / carers of a summer born child (1st April to 31st August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Foundation rather than Year 1. Children should only be educated out of the normal age group in very limited circumstances.

Parents / carers should submit a request in writing to the school as early as possible. The school's Admissions Committee will make a decision based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent / carers views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group, if it were not for being born prematurely. The views of the Head teacher will also be taken into account. When informing a parent / carer of the decision on the year group to which the child should be admitted, the parent / carer will be notified of the reasons for the decision. The school will communicate its decision to Nottinghamshire County Council, who will notify the parent / carer of the decision.

Where it is agreed that a child will not be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school). The local authority and admission authority **must** process the application as part of the main admissions.

The parent / carer has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

If you are considering a later application to our Foundation Year group after 31st December, please contact the school during the main round of admission applications for a discussion with the Head teacher, to see how we might best meet the needs of your child.

Transfer to Secondary School

Where a child has been educated out of the normal age group it is the parent / carer's responsibility to again request admission out of the normal age group when they transfer to secondary school. It will be for the admission authority of the preferred school to decide whether to admit the child out of the normal age group. The admission authority must make a decision on the basis of the circumstances of each case and in the child's best interests, and will need to bear in mind the age group the child has been educated in up to that point.

National Offer Day

This is the day each year on which local authorities are required to send the offer of a school place to all parents / carers in their area. For primary pupils, offers are sent out by the home local authority on 16 April. These dates are relevant to all on-time applications in the primary coordinated admissions rounds. If offer day falls on a non-working day, information will be sent on the next working day.

Closing Date

The closing date for applications and the offer date will be in line with the coordinated admission arrangements for Nottinghamshire. Late applications will be processed in line with the coordinated scheme.
