Guidance Notes

This Provider Agreement has been prepared in line with the Department for Education Model Agreement 2025 and [Department for Education Statutory Guidance](#) and [Early Years Entitlements: DFE operational guidance for local authorities and providers](#) which should be read alongside this Agreement. National Guidance documents may be amended during the life of this Provider Agreement. The web links provided will take providers to the main DfE webpage which will direct you to the latest version of the guidance.

This Agreement is made between Nottinghamshire County Council (“the Local Authority”) and the Provider named at the end of this Agreement.

The Agreement aims to ensure that public funding is used for the purpose it is intended, processes are fair and transparent, and providers and the local authority comply with relevant legislation.

The Agreement applies to all Ofsted registered providers of childcare and early education for funded 2 (two), 3 (three) and 4 (four) year olds in Nottinghamshire who have registered with Early Years and Family Hubs.

BACKGROUND

In exercising its duty under section 2 of the Childcare Act 2016 and sections 6, 7, 7A, 9A, 12 and 13 of the Childcare Act 2006, the Local Authority has developed this Agreement (which is based on the requirements in the Department for Education Model Agreement) to document the provision of funded childcare in Nottinghamshire for:

- I. the 15 hour entitlement for the most disadvantaged 2-year-olds (‘supported 2-year-olds entitlement’)
- II. the 15 hour entitlement for parents of 3- and 4-year-olds (the ‘universal entitlement’)
- III. the working parent entitlements, which include:
 - a. the 30 hour entitlement for eligible working parents of 3- and 4-year-olds
 - b. the introduction of new entitlements for eligible working parents:
 - i. from April 2024, the 15 hour entitlement for children aged 2 years of eligible working parents;
 - ii. from September 2024, the 15 hour entitlement for children aged 9 months of eligible working parents; and
 - iii. from September 2025, the 30 hour entitlement for children aged 9 months of eligible working parents.

The Agreement applies to the following early years providers:

- I. an early years provider other than a childminder registered on the Ofsted Early Years Register
- II. a childminder registered on the Ofsted Early Years Register
- III. a childminder or childcare provider registered with a childminder agency which is itself registered with Ofsted
- IV. schools taking children age 2 and over which are exempt from registration with Ofsted as an early years provider

1. DURATION OF AGREEMENT

- 1.1. This Agreement shall commence on 1st April 2025 to 31st March 2027 and thereafter shall continue on a rolling yearly basis unless terminated in accordance with the terms of this Agreement.
- 1.2. The Local Authority (“NCC”) may terminate this Agreement at the end of any school term by serving written notice on the Provider at least a term prior to the proposed termination date.
- 1.3. This Agreement shall terminate where an early years setting has been deregistered by Ofsted.

2. KEY LOCAL AUTHORITY RESPONSIBILITIES

- 2.1. The Local Authority shall:
 - I. secure a funded entitlement place for every eligible child in their area;
 - II. work in partnership with providers to agree how to deliver funded entitlement places;

- III. be clear about its role and the support on offer locally to meet the needs of children with special educational needs and/or disabilities (SEND) and other vulnerable groups of children, as well as their expectations of the Provider; and
- IV. contribute to the safeguarding and promote the welfare of children and young people in their area.

3. KEY PROVIDER RESPONSIBILITIES

- 3.1 The Provider shall:
- a. Comply with all Laws and relevant legislation and insurance requirements.
 - b. Deliver the funded entitlements consistently to all parents, whether in receipt of 15 or 30 hours and regardless of whether they opt to pay for optional services or consumables. This means that the Provider should be clear and communicate to parents details about the days and times that they offer funded places, along with their services and charges. Those children accessing the funded entitlements should receive the same quality and access to provision.
 - c. Follow the Early Years Foundation Stage (EYFS) and have clear safeguarding policies and procedures in place that link to the Local Authority's guidance for recognising, responding, reporting and recording suspected or actual abuse.
 - d. Have arrangements in place to meet the needs of children with special educational needs and/or disabilities (SEND) giving regard to SEND Code of Practice 2014, the Equality Act 2010 and the Children and Families Act, 2014. These arrangements should include a clear approach to identifying and responding to SEND. The Provider should utilise the SEN Inclusion Fund and Disability Access Fund (where applicable / eligible) to deliver effective support, whilst making information available about their SEND offer to parents. The Provider will be required to report progress of SEND children each term. The Provider should utilise the SEND inclusion fund and have systems in place to allow them to collect necessary information about Disability Living Allowance to enable them to access the Disability Access Fund.
 - e. Have arrangements in place to meet the needs of groups of children deemed otherwise vulnerable.
 - f. Provide the Local Authority with relevant data and information as and when requested regarding attendance and transitional arrangements for children.
 - g. Provide the Local Authority with relevant data and information as and when requested regarding sufficiency of places offered and current vacancies, as well as their listing on <https://www.nottshelpyourself.org.uk>.

4. SAFEGUARDING

- 4.1 The Local Authority has overarching responsibility for safeguarding and promoting the welfare of all children and young people in their area and shall comply with its requirements under the 1989 and 2004 Children Acts which make this clear, and the 'Working Together to Safeguard Children 2023' <https://www.gov.uk/government/publications/working-together-to-safeguard-children--2> guidance sets these out in detail.
- 4.2 The Provider must follow the EYFS and have clear safeguarding policies and procedures in place that are in line with local guidance and procedures for responding to and reporting suspected or actual abuse and neglect. The Provider must also take into account the government's statutory guidance 'Working Together to Safeguard Children 2023', set out in clause 4.1 and 'Prevent duty guidance: England and Wales 2023' <https://www.gov.uk/government/publications/prevent-duty-guidance> set these out in detail. A lead practitioner must take responsibility for safeguarding, and the Provider must train all Staff to understand their safeguarding policy and procedures and ensure that all Staff have up to date knowledge of safeguarding issues. Training made available by the Provider must enable its Staff to identify signs of possible abuse and neglect at the earliest opportunity, and to respond in a timely and appropriate way.
- 4.3 The Provider is also subject to the further safeguarding provisions contained in [Annex A - Local Authority Terms - Safeguarding](#).

5. ELIGIBILITY

- 5.1 The Provider shall check original copies of documentation to confirm a child has reached the eligible age on initial registration for all funded entitlements. The Provider can retain paper or digital copies of documentation to enable the Local Authority to carry out audits and fraud investigations. Where the Provider retains a copy of documentation this must be dealt with in accordance with the requirements set out in clause K4. If copies are not retained, the Provider shall acknowledge on the Parental Declaration Form that it has seen originals of the identification.

5.2 Eligibility of children is summarised in the table in clause 5.3 below, with eligibility criteria referred to at paragraph B1 of Annex B (see, [legal annex of DFE Statutory Guidance Early education and childcare \(applies from 1 April 2025\)](#)).

for further information on Eligibility, please see [Annex B - Eligibility](#).

5.4 2-year-olds of families receiving some additional forms of financial support (supported)

A child will be entitled to the funded hours from the term after both:

- I. the child has attained the age of 2.
- II. the child or parent meets the eligibility criteria.

2 year olds who meet both the disadvantage and the working families eligibility criteria will only be eligible for 15 hours until September 2025. They will not be able to claim 30 hours funding under both criteria simultaneously. See clauses 9.3 and 9.4 below.

- a. The Provider shall offer places to eligible supported two-year-olds on the understanding that the child remains eligible until they become eligible for the universal entitlement for three and four year olds.
- b. The Local Authority shall ensure that a child has a funded entitlement place no later than the beginning of the term following the child and the parent meeting the eligibility criteria for the funded entitlements.
- c. In line with statutory guidance, only providers who have a Safeguarding outcome of Met, and Leadership and Governance has been graded as at least Expected Standard, or an overall historical inspection outcome of at least Good, are able to provide funded places for eligible supported 2 year olds, unless the Local Authority assesses a childcare sufficiency need in a locality.

5.5 Universal Entitlement for 3 and 4 Year Olds

The Local Authority will secure funded places offering 570 hours a year over no fewer than 38 weeks of the year and up to 52 weeks of the year, for every eligible child in their area from the relevant date, as set out in Annex B, until the child reaches compulsory school age (the beginning of the term following their fifth birthday).

- a. The Provider shall offer places to all 3 and 4 year olds on the understanding that the child remains eligible until they reach statutory school age.
- b. Eligible children who have already been admitted to primary school and are attending a maintained school reception class will not be funded from Early Years but through schools payment processes.
- c. In line with the Statutory Guidance, only providers who have a Safeguarding Outcome of Met and Leadership and Governance has been graded as at least Needs Attention, or an overall historical inspection outcome of at least Requires Improvement, are able to provide funded places for eligible 3 and 4 year olds unless the Local Authority assesses a childcare sufficiency need in a locality.

5.6 Working Parent entitlements

- a. Where feasible the Provider shall offer places to eligible children from working households on the understanding that the child remains eligible until they reach statutory school age.
- b. The Provider shall ensure that parents are aware that if they cease to meet the eligibility criteria and the grace period (see Annex C - Eligibility Checking Service) has expired, children aged 3 and 4 can continue to take up the 15 hour universal entitlement, provided they have not exceeded the number of hours as set out at [A1.10 of the](#)

[Statutory Guidance](#). If the parent has been taking up the funded hours at more than one provider, the Local Authority should continue to fund 15 hours at the provider of the parent's choice. The Local Authority should make parents aware of the supported 2-year-old entitlement and encourage them to check their eligibility for this entitlement. As per paragraph A1.29 of the Statutory Guidance, falling out of eligibility for the working parent entitlement will not necessarily make a 2-year-old child eligible for the supported entitlement.

- c. Eligible children who have already been admitted to primary school and are attending a maintained school reception class will not be funded from Early Years but through Schools payment processes.
- d. Alongside the 30 hours eligibility code, which is the child's unique 11-digit number, and original copies of documentation (see paragraph 5.1), the Provider must acquire written consent from, or on behalf of, the parent to be able to receive confirmation and future notifications from the Local Authority of the validity of the parent's 30 hours eligibility code. The Provider shall use the Parental Declaration Form at Annex B which asks the parent for the necessary information and consents.
- e. Once the Provider has received written consent from the parent, they shall verify the 30 hours eligibility code with the Local Authority.
- f. The Local Authority will confirm the validity of eligibility code to allow the Provider to offer funded places for eligible children aged 9 months and above. The Local Authority will provide a validity checking service to the Provider to enable the Provider to verify the eligibility code. The Eligibility Checking Service (ECS) allows the Local Authority to make instant checks for code validity.
- g. In line with the Statutory Guidance, only providers who have a Safeguarding Outcome of Met, and Leadership and Governance has been graded as at least Needs Attention, or an overall historical inspection outcome of Requires Improvement, are able to provide funded places for eligible children unless the Local Authority assesses a childcare sufficiency need in a locality.
- h. For further information on ECS, please see [Annex C - Eligibility Checking Service](#)

6. FLEXIBILITY

- 6.1. Provision must be offered within the national parameters on flexibility, in accordance with paragraph A2.4 of the Statutory Guidance, as listed below:
 - a. No session to be longer than 10 hours;
 - b. no minimum session length (subject to the requirements of registration on the Ofsted Early Years Register);
 - c. not before 6.00am or after 8.00pm;
 - d. a maximum of two sites in a single day.
 - e. There should be no artificial breaks in the entitlement hours, e.g. a provider should not offer 10am to midday and 1pm to 3pm as entitlement hours and offer only private paid hours in between.
- 6.2 The Provider shall work with the Local Authority and share information about the times and periods at which they are able to offer funded entitlements to support the Local Authority to secure sufficient stretched and flexible places to meet parental demand in the Local Authority. The Provider shall also make information about their offer and admissions criteria available to parents at the point the child first accesses provision at their setting.
- 6.3 Maintained and Academy Schools (MAS) are advised to publish their nursery admissions policy with particular regard to points of entry for nursery children during the school year. Maintained and Academy Schools are funded on the basis of children present on the Schools' Census (SC), so if a child is admitted after census week, the funding will not be paid to the school for that term.
- 6.4 The Provider's attention is drawn to the Local Authority's policy on notice periods regarding funded places as set out in see [Annex D – Local Authority Terms – Notice periods](#).

7. PARTNERSHIP WORKING

- The Local Authority shall support the following partnerships:
 - I. Local Authority and Provider;
 - II. The Provider working with other providers, including childminders, schools and organisations.
 - III. The Providers and parents;
 - IV. Local Authority and parents.

<ul style="list-style-type: none"> The Local Authority shall promote partnership working between different types of providers, including childminders, across all sectors and encourage more providers to offer flexible provision, alongside other providers.
<ul style="list-style-type: none"> The Provider shall work in partnership with parents, carers and other providers to improve provision and outcomes for children in their setting. An interactive toolkit has been developed by the DfE to help providers set up or join a partnership, maximise the benefits of working together and tackle the challenges joint working can bring (see, https://www.familyandchildcaretrust.org/dfes-30-hour-mixed-model-partnership-toolkit).
<ul style="list-style-type: none"> Partnership Work with Parents – The Provider shall work in partnership with parents and must gain consent from parents to share information about a child should the Provider have a concern. Consent should be recorded on the Parental Declaration Form referred to in Annex B. Information to be shared relates to any safeguarding concerns, the Integrated Review for two-year olds and progress tracking data for any children in receipt of two year old and/or any supplementary funding. The Local Authority shall also expect the Provider to share this information with the parent, where appropriate. <ul style="list-style-type: none"> I. The Provider will ensure that all parents accessing their funded place, complete and sign the Parental Declaration Forms which will be made available to the Local Authority for audit purposes. II. The Provider shall work in partnership with parents, carers and other providers to improve provision and outcomes for children in their setting. III. The Provider shall discuss and work closely with parents to agree how a child’s overall care will work in practice when their funded entitlement is split across different providers, such as at a maintained setting and childminder, to ensure a smooth transition for the child.

8. SPECIAL EDUCATIONAL NEEDS AND DISABILITIES	
8.1	The Local Authority shall strategically plan support for children with special educational needs and/or disabilities (SEND) to meet the needs of all children in their local area as per the Special Educational Needs and Disability code of practice: 0 to 25 years as updated from time to time (see, https://www.gov.uk/government/publications/send-code-of-practice-0-to-25).
8.2	The Provider shall ensure owners, all its Staff members, and management committees or Trustees are aware of their duties in relation to the SEND Code of Practice 2014, the Equality Act 2010 and the Children and Families Act, 2014.
8.3	The Local Authority shall be clear and transparent about the support on offer in their area, through their SEND local offer, so parents and providers can access that support.
8.4	The Provider shall be clear and transparent about the SEND support on offer at their setting and make information on the Nottinghamshire Local Offer for SEND available to support parents to choose the right setting for their child with SEND. The Provider is asked to include this information in their setting information on the Notts Help Yourself website https://www.nottshelpyourself.org.uk .
8.5	In relation to the Disability Access Fund (DAF) & Inclusion funding see Annex E – Local Authority Terms – DAF & Inclusion funding
9. MEETING THE NEEDS OF DISADVANTAGED CHILDREN	
9.1	The Local Authority shall promote equality and inclusion, particularly for disadvantaged families, looked after children and children in need by removing barriers of access to places and working with parents to give each child support to fulfil their potential.
9.2	The Provider shall ensure that they have identified the disadvantaged children in their setting. The Provider shall identify locally available funding streams or support. This includes EYPP, deprivation fund, DAF, inclusion funding set out in the Supplementary Funding Table .
9.3	From April 2024, there may be some circumstances where households meet the eligibility criteria for both the supported two-year-old entitlement and the working parent entitlement. In these circumstances, the childcare should be provided under the supported 2-year-old entitlement. The child will remain on the disadvantage entitlement until they become eligible for the universal entitlement for 3- and 4-year-olds or 30 hours funded childcare for 3- and 4-year-olds if they meet the eligibility criteria. Therefore, households will not lose eligibility for their 15 hours funded early education, as is currently the case for the disadvantage entitlement.
9.4	From September 2025, when the working parent entitlement increases to 30 hours, where households meet the eligibility criteria for both 2-year-old entitlements, they shall be recorded as taking up 15 hours of the disadvantage entitlement and 15 hours of the working parent entitlement. They will need to reconfirm eligibility every 3 months for the working parent entitlement and from September 2025, they will not be defaulted automatically onto the disadvantage entitlement should

9.5	<p>they lose eligibility for the working parent entitlement.</p> <p>The Provider shall also be subject to the further provisions referred to in see Annex F – Local Authority Terms – Disadvantage.</p>
10.	<u>QUALITY</u>
10.1 10.2 10.3 10.4	<p>10.1 The Early Years Foundation Stage (EYFS) statutory framework is mandatory for all schools that provide early year's provision and Ofsted registered early years providers in England. The EYFS sets the standards that all early year's providers must meet to ensure that children learn and develop well and are kept healthy and safe.</p> <p>10.2 Ofsted are the sole arbiter of quality for all funded entitlements and Ofsted and inspectorates of independent schools have regard to the EYFS in carrying out inspections and report on the quality and standards of provision. Childminder agencies (CMAs) are organisations that can register and quality assure childminders as an alternative to registering with Ofsted. Note: Ofsted have confirmed changes to education inspections and the introduction of report cards and the Department for Education announced changes to accountability measures for education providers. There will be a period between the new inspection framework commencing in November 2025 and the new thresholds being implemented in early 2026.</p> <p>10.3 The Local Authority has a legal duty to provide information, advice and training on meeting the requirements of the EYFS, meeting the needs of children with SEND and on effective safeguarding and child protection for providers when 'Safeguarding' is graded as 'Not met' or 'Leadership and Governance' is graded as 'Needs attention' or below, or the provider has an overall historical inspection outcome of Requires Improvement, or Inadequate.</p> <p>10.4 Provision must be offered in accordance with the national parameters on quality as set out in Section A3 of the Statutory Guidance and the EYFS statutory framework: https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2</p>
11.	<u>BUSINESS PLANNING: PAYMENTS AND FUNDING</u>
11.1 11.2 a. b. c. d.	<p>11.1 The Local Authority shall clearly set out the documentation that it needs to receive from the Provider to support payment and delivery of the funded entitlements and the timetable which the Provider shall follow when submitting their documentation, this includes setting out the importance of timely and accurate headcount and census returns.</p> <p>11.2 The Local Authority shall pay the Providers, particularly childminders, monthly unless the Provider requests and the Local Authority agrees to continue an existing alternative sustainable method of payment. In order to support the Local Authority to make payments, the Provider shall:</p> <ul style="list-style-type: none"> a. ensure that they submit timely and accurate information, including, but not limited to, headcount data, census data, parental declarations and invoices and sufficiency tasks, as per the financial guidelines of the Local Authority. Failure to do so may result in penalty charges, inaccurate, delayed or suspended funding. b. maintain accurate financial and non-financial records relating to funded entitlement places and supplementary funding and shall give the Local Authority access on reasonable notice to all financial and non-financial records relating to funded entitlement places funded under this Agreement, subject to clause K6 (Confidentiality) restrictions. c. The Local Authority is permitted by the DfE to charge the Provider financial penalties when providing late or incomplete information. However, the Local Authority shall not charge the Provider disproportionate penalties for providing late or incomplete information leading to additional administration in the processing of funded entitlements. Any charges shall be reasonable and proportionate to the inconvenience or costs incurred to the Local Authority as a result of the lateness and the Local Authority shall ensure that charges are clearly communicated to the Provider. Decisions regarding charging will be made at the Provider Support Group referred to in Annex J. The Local Authority shall notify the Provider in writing in advance of any charges it proposes to implement for the late or incomplete submission of information. d. The Local Authority will endeavour to ensure that none of the funding paid to childminders registered with an agency to deliver funded places is retained by the agency. <p>For further information on the Local Authority payment terms, the Provider's attention is drawn to see Annex G – Local Authority Terms – Payments and Funding.</p>
12.	<u>COMPLIANCE AND AUDITS</u>
12.1. 12.2.	<p>12.1. The Local Authority can carry out checks and/or audits on the Provider to ensure compliance with the requirements of delivering the funded entitlements, however, the Local Authority shall not carry out audit regimes which are disproportionate or are unnecessarily burdensome to the Provider.</p> <p>12.2. For further information, see Annex H – Local Authority Terms – Compliance and Audits.</p>
13.	<u>CHARGING PARENTS/CARERS</u>
13.1	Government funding is intended to deliver 15 or 30 hours a week of free, high quality, flexible

childcare. The 15 or 30 hours must be able to be accessed free of charge to parents. There must not be any mandatory charges for parents in relation to the free hours. Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services.

13.2 The Provider can charge for meals and snacks as part of a funded entitlement place and the Provider can also charge for consumables such as nappies or sun cream and for optional activities such as trips and musical tuition, or other activities that are not directly related or necessary for the effective delivery of the Early Years Foundation Stage (EYFS) statutory framework, but these charges must be voluntary for the parent.

13.3 Providers should be mindful of the impact of charges on families, particularly the most disadvantaged. Providers who choose to offer the free entitlements, are responsible for setting a policy on providing parents with options for alternatives to additional charges. This policy must offer reasonable alternatives that allow parents to access the entitlement for free, including allowing parents to supply their own, or waiving the cost of these items.

13.4 Providers can also charge parents for any additional, private paid hours according to their usual terms and conditions provided taking up private paid hours is not a condition of accessing a free place.

13.5 The Provider shall deliver the funded entitlements consistently so that all children accessing any of the funded entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for optional hours, services, meals or consumables.

13.6 The Local Authority shall not intervene where parents choose to purchase additional hours of provision or additional services, provided that this is not a condition of accessing the funded entitlement. The Provider shall be completely transparent with parents about any additional charges.

13.7 The Provider shall publish their admissions criteria and additional charge details and ensure parents understand which hours/sessions can be taken as funded provision. Not all providers will be able to offer fully flexible places, but the Provider shall work with parents to ensure that as far as possible the pattern of hours are convenient for parents' working hours.

13.8 The costs of chargeable extras should be published on provider websites or, where they do not have any website, on local authority Family Information Services. These should be clear, up-to-date and easily accessible to parents, to enable parents to make an informed choice of provider. They should set out, for each setting, the amounts charged for all the chargeable extras listed, as well as the pattern of hours that parents can take the entitlements by January 2026 (Except for providers caring for less than 10 children).

13.9 The Provider can charge parents a deposit to secure their child's funded place but shall refund this element of the deposit to parents within a reasonable time scale (which shall be after the child has been included as attending the Provider setting and recorded in their headcount return).

13.10 The Provider cannot charge parents "top-up" fees (the difference between a Provider's usual fee and the funding they receive from the Local Authority to deliver funded places) or require parents to pay a registration fee as a condition of taking up their child's funded place.

13.11 The Provider shall ensure their invoices and receipts are clear, transparent and itemised, allowing parents to see that they have received their funded entitlement completely free of charge and understand fees paid for additional hours. The Provider will also ensure that receipts contain their full details so that they can be identified as coming from the Provider. The Provider shall not represent the funded entitlement to parents on any invoice as a monetary subsidy or discounted place.

13.12 Additional charges are permitted in the following 4 categories and shall be made clear to parents in advance of accepting a funded place, being detailed on a separate information sheet provided as part of the acceptance terms of the funded place:

- a. Extra hours attended over and above the entitlement hours,
- b. Meals and snacks,
- c. Consumables such as nappies, suncream etc.
- d. Additional services such as Forest Schools, yoga, drumming, other specific tuition (providers should give details of how often these things occur e.g. once a week etc.)

13.13 The Provider shall ensure that all parents complete and sign the revised (2025) Parental Declaration Form for each child, and the Provider is required to retain copies of all completed Parent Declaration Forms (Annex B). Copies shall be retained for as long as the child is in the Provider setting and until the forms are no longer required to fulfil the purposes for which they were originally submitted (whichever is the later) and according to the Local Authority's data processing schedules. The revised parent declaration form includes a section regarding which additional charges the parent has or has not agreed to, with space on the back for providers to give more detail.

13.14 For further information, please see [Annex I – Local Authority Terms – Charging and Invoice example](#).

14. TERMINATION OF AGREEMENT AND SUSPENSION OR WITHDRAWAL OF FUNDING

14.1. The Local Authority aims to secure the best possible outcomes for children in Nottinghamshire. Suspension of registration or de-registration by Ofsted or a breach of statutory requirements or safeguarding issues may result in suspension or withdrawal of funding and the termination of this Agreement.

14.2. Further information on termination, please see [Annex J – Local Authority Terms – flowchart and termination of agreement and suspension or withdrawal of funding](#).

15. APPEALS BY PROVIDERS

15.1 The Provider may be denied approval to offer the funded entitlements or have this Agreement terminated, funding withdrawn or suspended (in whole or part) in accordance with clause 14 and Annex J. The Provider can appeal by following the dispute resolution procedure set out in clause K7 (“Disputes”), starting from the escalation point in clause K7.1.4.

16. COMPLAINTS PROCESS FOR PARENTS

16.1 The Provider shall ensure they have a complaints procedure in place that is published and accessible for parents who are not satisfied that their child has received their funded entitlement in the correct way, as set out in this Agreement and in the Statutory Guidance.

16.2 If a parent is not satisfied with the way in which their complaint has been dealt with by the Provider or the Local Authority or believes the Local Authority has acted unreasonably, they can make a complaint to the Local Government Ombudsman. Such complaints will only be considered when the Local Authority’s complaints procedures referred to in clause 16.3 have been exhausted.

16.3 The Local Authority’s complaints procedure can be found here:

Annex B – Eligibility & Information to parents

- B1.** Full eligibility criteria can be found in Part E: Legal annex and other relevant information of DFE Statutory Guidance Early education and childcare (applies from 1 April 2025).
- B2.** [The relevant dates \(in relation to the age criterion\) and entitlement to funded hours are summarised in Early-years-providers-2024funding-and-childcare-entitlements](#),
- B3.** Parents can find information about all entitlements on the Childcare Choices Website.
- B4.** Parents can find childcare and early education provision through the Notts Help Yourself website. Providers are asked to include this information in their setting information on the Notts Help Yourself website <https://www.nottshelpyourself.org.uk> and are required to review and update their listing termly.
- B5.** Funding applications should be supported by completion of a signed Parental Declaration Form for each child which is to be held by all providers. The exception to this can be 3 or 4 year olds who are claiming universal hours only at schools or academies, as they are deemed to be 'on roll' at the school and will have completed a separate enrolment/admissions form at the school. All children claiming supported 2 year old funding, working parent entitlements or DAF should have a completed and signed Parental Declaration Form which is held at the setting or school. This form gives the school/setting parental consent to check eligibility for the nonuniversal entitlements.

Annex C – Eligibility checking service

C1. The Eligibility Checking Service (ECS), allows the Local Authority to make instant checks for code validity. The Local Authority shall provide the following validity checking service for Providers:

C2. The Provider portal contains a Provider ECS check and re-check facility which displays children's eligibility status and validity periods to both Provider and Local Authority Staff. C3. The Local Authority shall complete audit checks to review the validity of eligibility codes for children who qualify for 30 hours funded childcare at 6 fixed points in the year, both at half-term and at the end of term across the year (in line with the dates as listed in the table below). The Local Authority shall provide a self service portal report for providers to identify where a parent has fallen out of eligibility and inform them of the grace period end date after the LA audit date below.

Date Parent receives ineligible decision on confirmation:	LA audit date:	Grace Period End date:
1 Jan-10 Feb	11 February	31 March
11 Feb-31 Mar	1 April	31 August

- if the code has expired and the child is starting a new setting in the grace period where the extended hours cannot be used, or

D2. When parents choose to change their child's funded place partway through a term, the Provider is permitted to request that the parent gives 4 calendar weeks' notice in respect of funded hours before transferring places. D3 The Provider cannot charge a parent for leaving a place with no notice unless the Provider has a signed private contractual agreement in place which states this. If a provider wishes to specify a longer notice period than 4 calendar weeks, they should differentiate between notice periods for funded hours and non-funded hours in their contractual agreement with parents.

Annex G – Local Authority Terms – payments and funding (continued)

- c. To comply with DfE requirements that the Local Authority makes monthly payments to PVI providers including childminders, there will be between 12 and 15 payments made during the year. Nottinghamshire has implemented payment processes so all providers can be paid monthly. Other providers may request to receive between 6 and 9 payments per year to give a larger payment at the beginning of each term, to help with cash-flow. Providers may make a request in writing to the Local Authority if they require payments less frequently than monthly.
 - d. Maintained schools and academies will not be paid monthly, instead they will be paid using existing Schools Finance processes.
- G3. The Parties shall use the following process for children receiving funded entitlement at multiple providers:

 - b. The Local Authority shall review the headcount return and resolve any double claims issues prior to payment;
 - c. The Provider shall retain copies of all Parental Declaration Forms (Annex B) which record the information where hours are attended at different providers and provide the basis for claims made. Copies shall be retained for as long as the child is in the Provider setting and until the forms are no longer required to fulfil the purposes for which they were originally submitted (whichever is the later) in accordance with the Local Authority's data processing schedules (G.2.iv.b.).
 - d. The Parental Declaration Form (Annex B) also contains details of who the parent chooses as the main childcare provider for the purposes of the Disability Access Fund (DAF).

Annex H – Local Authority Terms – compliance and audits

- H1. Each year the Local Authority will review a sample of providers in receipt of funding, to ensure compliance with each provider agreement. This puts necessary checks in place to ensure providers are correctly claiming their funding and that parents are clear about their entitlement.

The Provider shall comply with all statutory financial regulations that govern their legal status (as applicable) (for example Charities Commission, Companies Act, HMRC).
- H3. Generally 10 working days' notice will be given to providers of a compliance review.
- H4. Settings selected for a compliance visits will be identified from a combination of a random sample and a number of those who have come to the attention of the Local Authority which could include, but is not limited to, the following reasons:
- a. Complaints from parents
 - b. Ofsted reports
 - c. RAG rating
 - d. Annual conversation visit
 - e. Non-signature of Provider Agreements
 - f. Late invoicing
 - g. Non-use of Portal
 - h. In receipt of other LA funding, i.e. supplementary funding
- H5. The Local Authority will not carry out audit regimes which are disproportionate or are unnecessarily burdensome to the Provider.
- H6. The audit may include a site visit, to examine the following documentation, which providers shall have available upon request. Documentation and actions shown in table H11.
- H7. After the review, the findings will be shared with the Provider, including any recommendations for any changes in practice required, to ensure compliance with this provider Agreement. This would include details of any funding that needs to be returned to the Local Authority and details of any follow-up support to address any issues identified. Failure to meet this

will result in a referral to provider support (see flowchart in Annex J).

- H8. Findings from audits may result in the Provider having to return funding to the Local Authority if it is found that payments have been made for children who are not accessing their full entitlements or where supplementary funding has not been used for the purpose it was intended.
- H9. The Local Authority will ensure that the Provider is not penalised for short term absences of children, for example sickness, arriving late or leaving early, or a family emergency through withdrawing funding, but use discretion where absence is recurring or for extended periods taking into account the reason for the absence and the impact on the Provider.
- H10. The Local Authority will ensure that the Provider is not penalised through withdrawal of funding for short term closures of a setting, for example, as a result of local or national elections or damage to the premises. This also includes notifiable incidents to Ofsted – where a childminder cannot care for the children due to health. See [Childcare: significant events to notify Ofsted about](#) and also [People connected with Ofsted-registered childcare guidance](#)

This will be reviewed on a case by case basis when EY&FH are notified by the Provider/childminder.

Notifications should be sent to earlychildhoodservices@nottsc.gov.uk as well as Ofsted.

H11. Actions providers need to take to ensure audit compliance

Compliance audits Actions to be taken by provider if any problem is identified during compliance audits.	
Documentation item	Examples of Provider Action following audit
I. Attendance registers and Signing In and Out Sheets for the agreed term (Autumn, Spring or Summer).	Ensure that registers in whatever form, accurately record attendance of children.
II. Signed parent declaration forms for every child for which the funding is claimed, for the agreed term (Autumn, Spring or Summer).	Provider to ensure a fully completed up to date parent declaration form is held for all funded children, including a signature to say that the DOB of the child has been checked (this can be a check as part of the provider's own admission/registration process, with a confirming counter signature on the parent declaration form). Forms can be amended if session times changed, as long as the change is initialled and dated.
III. Evidence of confirmation of ID (i.e. birth certificate, NHS 'red book', passport) for every child for which the funding is claimed, for the agreed term (Autumn, Spring or Summer).	
IV. Evidence of eligibility for every child for which funding is claimed for the agreed term (Autumn, Spring or Summer).	Providers should hold a record of the 2yo funding code from NCC's application system, or hold a copy of a confirmation letter/email from another LA, or in the case of working families entitlement the code issued by HMRC (record on parent declaration form).
V. Current Insurance Certificate and Schedule, showing minimum levels of cover i.e. £10m employer and £5m public liability cover.	Provide copy if requested
VI. Documentation to support any short term absences (where applicable).	Keep a log or other record of the reasons given by parents for short term absences. Children are expected to attend most funded sessions claimed within a term. Funding should not be claimed for absent children whose parents are wanting to hold a place open, so a valid reason for absence is necessary. Providers should work with parents in a flexible way to facilitate their child's attendance when the current pattern of attendance is proving difficult; Providers should inform parents that funding is granted for children who attend and suggest an alternative pattern of provision e.g. reducing no. of sessions if parents find it difficult to send the child for a whole week.
VII. Staff rotas for any week of any term selected for scrutiny in the compliance audit.	Provide copy if requested
VIII. A copy of the fees/charges.	Provide copies if requested. Invoices and fees information should show funded hours as zero charge. Information regarding how any additional charges have been calculated should be made clear on invoices and/or fees sheet/website. Refer to clause 13.12.
IX. Copies of invoices to parents, upon request (these will be randomly selected).	
X. Copy of funded places publicity material given to parents/carers	
XI. Evidence of expenditure in respect of all early years supplementary funding received during the period being reviewed.	Early Years and Family Hubs will provide a form where settings can record evidence of expenditure which should be provided if requested.
XII. Evidence of staff qualifications.	Provide evidence if requested
XIII. Access to Policy and procedural documents for the provision.	Provide documents if requested

Invoices and receipts should include the provider's full details so that they can be identified as coming from a specific provider.
- 1.3 Parents must be able to opt out of paying for chargeable extras and the associated consumable or activity for their child. For activities and extra services, providers should be made aware that participation in any optional extra activity should be on the basis of parental choice and a willingness to meet the charges. - 1.4 Providers must not charge parents for the following in connection with the entitlement hours:

 - J.3.4 Is not meeting the independent school standard in relation to the spiritual, moral, social and cultural development of pupils;
 - J.3.5 Is not actively promoting fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs;

- J.4 Where the Provider is at risk of having funding withdrawn or suspended under this clause, the Local Authority may (at its absolute discretion, taking into account the circumstances leading up to this point) apply the process set out in the flow chart above (and as further detailed in clauses J.5 to J.14 below):

Annex J – Local authority terms – termination of agreement and suspension or withdrawal of funding (continued)

- J.4 The Local Authority will have a range of options to consider for each setting that is referred to the Provider Support Group. Despite having some flexibility, the Local Authority adheres to Statutory Guidance which states that the Local Authority should 'secure alternative provision and withdraw funding from a provider (other than a local authority maintained school), as soon as is practicable, when Ofsted publish a Safeguarding judgement of Not Met or Leadership and Governance judges as requiring Urgent Improvement, or an inspection judgement of a childminder agency of 'not effective' " (DfE 2018). The options available to the council vary depending on the age of the child and nature of referral to the Provider Support Group as follows:
- J.5 The Local Authority will not withdraw funding from the Provider or from childminders registered with an agency until the Provider or childminder agency's Ofsted inspection judgement is published.
- J.6 The Local Authority will determine an appropriate timeframe for withdrawing funding depending on the issues raised and discussed at the Provider Support Group. When withdrawing funding the Local Authority will consider the continuity of care for children who are already receiving their funded hours at a provider or with an agency registered childminder and Ofsted monitoring information about the Provider or agency.
- J.7 The Local Authority will not fund childminders registered with a childminder agency where the agency has indicated to the Local Authority that the childminder is not of the appropriate quality unless it is necessary to do so to ensure sufficiency of accessible places or support parental choice. The Local Authority will also consider any information provided by a childminder agency about the childminder registered with them and the childminder's premises.
- J.8 The Local Authority will consider any information published by Ofsted about a provider or childminder agency including the recent history about childcare provision by a particular provider or agency or childcare provision at a particular address. This may include, for example, where the Local Authority has concerns that the Provider with a safeguarding outcome of Not Met, or Leadership and Governance requiring Urgent Improvement by Ofsted, may have re-registered their setting with Ofsted to avoid making the quality improvements identified by Ofsted.
- J.9 The Local Authority will consider complaints and allegations made by parents to the Local Authority and will investigate these accordingly
- J.10 The Local Authority reserves the right to withdraw or suspend any or all funding without first applying the process detailed in clause J.4 for example following a suspension from Ofsted and the Local Authority is required to act swiftly.
- J.11 Following a decision made by the Local Authority under clause 14 the Provider shall have the right to appeal against the decision(s) by using the procedure referenced in clause 14.1.
- J.12 The Local Authority does not waive the rights set out in this clause if it does not act immediately, a slower evidence based approach may be required.
- J.13 Re-application from Providers in reference to funding being reinstated will not be considered until all required actions and conditions of both clauses 14 and 15 have been fully carried out.
