

# Whole School Safeguarding Workshop

TWO HOURS

## APPROACH

'Safeguarding is everyone's business', and this workshop presents a unique opportunity for all staff at your setting, from teaching staff to technicians, cleaners to caretakers, and SENDCo's to support staff, to spend time together to explore the subject and take tangible steps further towards an effective safeguarding culture. This practical, engaging, and discussion-based workshop prompts participants to develop actionable strategies tailored to their specific roles, ensuring that every member of your setting actively contributes to a safe and supportive educational environment.

## COURSE CONTENT

- **Setting the Scene**
  - Context - Why is safeguarding important?
- **Safeguarding Basics**
  - What are the different types of abuse/harm
  - Statutory responsibility
  - Contextual safeguarding
- **Safeguarding Principles**
  - How to safeguard effectively
- **Safeguarding Responsibilities**
  - Staff members
  - Effective recording
- **Effective Safeguarding Culture**
  - Action planning

## LEARNING OUTCOMES

- Understand the purpose and importance of safeguarding
- Recognise different types of abuse and harm
- Understand statutory responsibilities and safeguarding across roles
- Apply a contextual safeguarding approach
- Safeguarding effectively in day-to-day practice
- Develop an action plan for improved practice
