- 107.10. In the event that the Estimate (as modified) involves estimated Capital Expenditure then (unless the Authority has elected to fund such costs in accordance with Clause 107.3.2) the Contractor shall use its reasonable endeavours to obtain funding for the whole of the estimated Capital Expenditure, on terms reasonably satisfactory to it.
- 107.11. If the Contractor has used its reasonable endeavours to obtain funding for the whole of the estimated Capital Expenditure, but has been unable to do so within 60 Days of the date that the Authority confirmed the Estimate, then the Contractor shall have no obligation to carry out the Authority Change, unless the Authority agrees within 20 Days of the end of such period to pay the costs for which funding is not available on the basis provided for in Clause 107.12 below.
- 107.12. The Authority may, at any time following the date on which the Estimate is confirmed, agree to meet all or, to the extent the Contractor has obtained funding for part of the Capital Expenditure, the remaining part of the estimated Capital Expenditure.
- 107.13. In the event that the Estimate has been confirmed by the Authority, then the adjustment to the Unitary Charge shall be calculated in accordance with Clause 111 (Financial Adjustments)
- 107.14. Where the Authority agrees to pay the costs for which funding is not available pursuant to Clause 107.10 above:
- 107.14.1. the Authority and the Contractor shall agree:
- 107.14.1.1. a payment schedule in respect of the payment of such sum reflecting the amount and timing of the costs to be incurred by the Contractor in carrying out the Authority Change to the extent borne by the Authority; and

CONTRACT A

107.14.1.2. where payment for part of a change in Service or Works reflects the carrying out of, or specific progress towards, an element within the Authority Change, an objective means of providing evidence confirming that the part of the Authority Change corresponding to each occasion when payment is due under the payment Schedule appears to have been duly carried out,

(such payment and evidence to be determined in accordance with Clause 116 (Dispute Resolution), in the event of the Authority and the Contractor failing to agree as to its terms);

107.14.2. the Authority shall make a payment to the Contractor within 15 Days of receipt by the Authority of invoices presented to the Authority complete (in all material respects) in accordance with the agreed payment Schedule (as the case may be, varied by agreement from time to time) accompanied by the relevant evidence (where applicable) that the relevant part of the Authority Change has been carried out; and

107.14.3. if payment is not made in accordance with Clause 107.13.2, the Authority shall pay interest to the Contractor on the amount unpaid from the date 15 Business Days after receipt of the relevant invoice until paid at the Prescribed Rate.

Small Works Changes

107.15. If agreed by the Parties, 28 Days prior to the Planned Service Commencement Date for a Facility and the commencement of each subsequent Contract Year for the first 5 years, and within 30 Business Days of any request in any subsequent Contract Year, the Contractor shall propose a schedule of rates to be agreed with the Authority (the “Small Works Rates”), such agreed rates to be applied in respect of any request from the Authority for Small Works to be completed during that Contract Year.

107.16. The value of any Small Works shall be calculated on the basis that:

107.16.1. the labour element shall be calculated in accordance with the Small Works Rates or, where such rates are not applicable, in accordance with rates which are fair and reasonable plus 11 per cent; and

107.16.2. the materials element shall be charged at the cost of materials to the Contractor or to the contractor carrying

CONTRACT A

out the work (net of all discounts) plus 11 per cent.

107.17. **The Contractor and the Authority shall agree the timing of any Small Works, so as to minimise any inconvenience to the Authority. The Contractor shall take all reasonable steps to minimise the duration of any Small Works.**

107.18. **Any dispute between the parties relating to Small Works shall be determined in accordance with Clause 116 (Dispute Resolution).**

Contractor Changes in Service

107.19. **If the Contractor wishes to introduce a change in the Works or Services, it must serve a Contractor Notice of Change on the Authority.**

107.20. **The Contractor Notice of Change must:**

- 107.20.1. **set out the proposed change to the Works or Services in sufficient detail to enable the Authority to evaluate it in full;**
- 107.20.2. **specify the Contractor's reasons for proposing the change to the Works or Services;**
- 107.20.3. **request the Authority to consult with the Contractor with a view to deciding whether to agree to the change to the Works or Services and, if so, what consequential changes the Authority requires as a result;**
- 107.20.4. **indicate any implications of the change to the Works or Services;**
- 107.20.5. **Indicate, in particular, whether a variation to the Unitary Charge is proposed (and, if so, give a detailed cost estimate of such proposed change); and**
- 107.20.6. **indicate if there are any dates by which a decision by the Authority is critical.**

107.21. **The Authority shall evaluate the Contractor's proposed change to the Works or Services in good faith, taking into account all relevant issues, including whether:**

- 107.21.1. **a change in the Unitary Charge will occur;**
- 107.21.2. **the change affects the quality of the Works or Services or the likelihood of successful delivery of the Services;**
- 107.21.3. **the change will interfere with the relationship of the Authority with third parties;**
- 107.21.4. **the financial strength of the Contractor is sufficient to perform the changed Works or Services; or**
- 107.21.5. **the residual value of the Assets is reduced; or**
- 107.21.6. **the change materially affects the risk or costs to which the Authority is exposed.**

CONTRACT A

- 107.22. **As soon as practicable after receiving the Contractor Notice of Change the parties shall meet and discuss the matter referred to in it. During their discussions the Authority may propose modifications or accept or reject the Contractor Notice of Change.**

- 107.24. **If the Authority rejects the Contractor Notice of Change, it shall not be obliged to give its reasons for such a rejection.**
- 107.25. **Unless the Authority's acceptance specifically agrees to an increase in the Unitary Charge, there shall be no increase in the Unitary Charge as a result of a change to the Works or Services proposed by the Contractor.**
- 107.26. **If the change to the Works or Services proposed by the Contractor causes or will cause the Contractor's costs or those of a Sub-Contractor to decrease, the Unitary Charge shall be adjusted downwards to reflect a 50/50 sharing in the decrease in the cost of providing the Works and/or Services between the Authority and the Contractor.**
- 107.27. **The Authority cannot reject a change to the Works or Services which is required in order to conform to a Change in Law. The cost of introducing a change to the Works or Services resulting from a Change in Law (including any resulting variation in the Unitary Charge) shall be dealt with in accordance with Clause 105 (Change in Law) and to the extent not dealt with shall be borne by the Contractor.**
- 107.28. Where any Authority Change or Contractor Change relates to:

- 108.1.1. because a serious risk exists to the health or safety of persons or property or to the environment; and/or
 - 108.1.2. to discharge a statutory duty
- then the Authority shall be entitled to take action in accordance with Clauses 108.2 to 108.5 below. For the avoidance of doubt, the Authority shall not be entitled to take such action in respect of the element of the Services comprised in the Sheffield Contract or the Mansfield and Ashfield Residual Waste Offtake Contract.
- 108.2. If Clause 108.1 applies and the Authority wishes to take action, the Authority shall notify the Contractor in writing of the following:

Following service of such notice, the Authority shall take such action as notified under Clause 108.2 and any consequential additional action as it reasonably believes is necessary (together, the “Required Action”) and the Contractor shall give all reasonable assistance to the Authority while it is taking the Required Action.

Step - in without Contractor Breach

- 108.4. If the Contractor is not in breach of its obligations under this Contract, then for so long as and to the extent that the Required Action is taken, and this prevents the Contractor from providing any part of the Services:
- 108.4.1. the Contractor shall be relieved from its obligations to carry out the Works and/or provide such part of the Services; and
 - 108.4.2. in respect of the period in which the Authority is taking the Required Action and provided that the Contractor provides the Authority with reasonable assistance (such assistance to be at the expense of the Authority

CONTRACT A

to the extent that incremental costs are incurred), the Unitary Charge due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Services affected by the Required Action in full over that period.

Step-in on Contractor Breach

108.5. If the Required Action is taken as a result of a breach of the obligations of the Contractor under this Contract, then for so long as and to the extent that the Required Action is taken, and this prevents the Contractor from providing any part of the Services:

108.5.1. the Contractor shall be relieved of its obligations to provide such part of the Services; and

108.5.2. in respect of the period in which the Authority is taking the Required Action, the Unitary Charge due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Services affected by the Required Action in full over that period, less an amount equal to all the Authority's costs of operation in taking the Required Action.

Performance by the Authority and mitigation

108.6. Provided always that the Required Action has not been taken as a result of the Contractor being in breach of its obligations, the Authority:

108.6.1. shall ensure that it acts in accordance with Good Industry Practice in carrying out or procuring the carrying out of the Required Action; and

108.6.2. will indemnify the Contractor against any Direct Losses suffered or incurred by the Contractor including any loss of Third Party Income arising as a direct result of any Required Action or any breach by the Authority of this Clause 108.

108.7. In the event that Required Action has been taken as a result of the Contractor being in breach of its obligations, the indemnity set out in Clause 108.6.2 shall not apply but the Authority shall set off any Third Party Income actually received by the Authority in connection with taking the Required Action against the Authority's costs of operation in taking the Required Action for the purposes of Clause 108.5.2

109. RECYCLING STEP-IN

109.1. The Recycling and Composting Performance Standards will be measured every Contract Year in respect of the previous 12 months period (the Recycling and Composting Measurement Points).  - 109.2.2. the entitlement of the Authority under this Clause 109 shall extend only until such time as the Contractor is able to satisfy the Authority (acting reasonably) that it will be able to achieve the Recycling or Composting Performance Standards after which all Contract Waste shall once again be delivered to the Contractor and the provisions of this Clause 109 shall apply again;
 - 109.2.3. this arrangement shall not be an Authority Change and no compensation shall be payable to the Contractor;
 - 109.2.4. in respect of the period in which the Recycling or Composting is being undertaken by an Alternative Provider the Unitary Charge due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Services affected by such measures in full over that period, less an amount equal to all the Authority's reasonable net costs less any Third Party Income actually received incurred in implementing the Alternative Recycling, or Composting provided that the Authority shall only be entitled to deduct net costs directly related to Alternative Recycling or Composting of such waste and no other costs relating to any other form of disposal (including without limitation Landfill Tax) shall be recouped by the Authority; and
 - 109.2.5. if the Authority exercises its right pursuant to Clause 109.1 to undertake Alternative Recycling or Composting the Contractor shall be relieved of its obligations to provide such part of the Services, the waste diverted from the Contract shall be deemed to have been Recycled or Composted as appropriate for the purposes of this Contract and no additional WCA cost shall be borne by the Contractor under Clause 52 (Diversion and Tipping Away) by virtue of the Delivery Points being different than in this Contract.

CONTRACT A

As soon as the Contractor is aware that the risk is no longer Uninsurable, the Contractor shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted as soon as is reasonably practicable) for such risk in accordance with this Contract.

Terms and Conditions that become Unavailable

- 122.4. If, upon the renewal of any insurance which the Contractor is required to maintain or to procure the maintenance of pursuant to this Contract:

If it is agreed or determined that Clause 122.4 applies then the Authority shall waive the Contractor's obligations in Clause 120.1 and/or Schedule 36 (Required Insurance) in respect of that particular Insurance Term and the Contractor shall not be considered in breach of its obligations regarding the maintenance of insurance pursuant to this Contract as a result of the failure to maintain insurance incorporating such Insurance Term for so long as the relevant circumstances described in Clause 122.4 above continue to apply to such Insurance Term.
- 122.6. To the extent that the Parties agree (acting reasonably), or it is determined pursuant to the Dispute Resolution, that an alternative or replacement term and/or condition of insurance is available to the Contractor in the worldwide insurance market which if included in the relevant insurance policy would fully or partially address the Contractor's inability to maintain or procure the maintenance of insurance with the relevant Insurance Term, at a cost which contractors in the UK are (at such time) generally prepared to pay, the Contractor shall maintain or procure the maintenance of insurance including such alternative or replacement term and/or condition. Notwithstanding any other provision of this Contract, the costs of such insurance shall be subject to the premium costs sharing mechanism set out at Schedule 37 (Premium Risk Sharing Mechanism).
- 122.7. Where the Authority has exercised the waiver pursuant to Clause 122.5 above, it shall be entitled to deduct from the annual Unitary Charge the "Adjusted Amount", such amount being an amount equal to the amount paid for the particular Insurance Term in the preceding year (using a reasonable estimate of such amount where a precise figure is not available) less any annual amount paid or payable by the Contractor to maintain and/or procure the maintenance of any (whether full or partial) alternative or replacement insurance in respect of such Insurance Term pursuant to Clause 122.6.
- 122.8. While Clause 122.4 applies, the annual Unitary Charge shall be reduced each Contract Year by the Adjusted Amount, Indexed

CONTRACT A

from the date that the particular Insurance Term is no longer available.

122.9. The Contractor shall notify the Authority as soon as reasonably practicable and in any event within 5 Days of becoming aware that Clause 122.4.1 and/or Clause 122.4.2 are likely to apply or (on expiry of the relevant insurance then in place) do apply in respect of an Insurance Term (irrespective of the reason for the same). The Contractor shall provide the Authority with such information as the Authority reasonably requests regarding the unavailability of the Insurance Term and the parties shall meet to discuss the means by which such unavailability should be managed as soon as is reasonably practicable.

122.10. In the event that Clause 122.4.1 and/or Clause 122.4.2 apply in respect of an Insurance Term, (irrespective of the reasons for the same) the Contractor shall approach the insurance market at least every four months to establish whether Clause 122.4.1 and/or Clause 122.4.2 remain applicable to the Insurance Term. As soon as the Contractor is aware that Clause 122.4.1 and/or Clause 122.4.2 has ceased to apply to the Insurance Term, the Contractor shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted as soon as is reasonably practicable) incorporating such Insurance Term in accordance with this Contract.

122.11. Contractor's option to continue

122.11.1. If pursuant to Clause 122.3.2 the Authority elects to make payment to the Contractor (such that the Contract will terminate) (the "Relevant Payment"), the Contractor shall have the option (exercisable within 20 Business Days of the date of such election by the Authority) (the "Option Period") to pay to the Authority on or before the end of the Option Period an amount equal to the insurance proceeds that would have been payable had the Insured Risk not become Uninsurable in which case this Contract will continue (and the Relevant Payment will not be made by the Authority) and the Contractor's payment shall be applied for the same purpose and in the same manner as insurance proceeds would have been applied had the risk not become Uninsurable.

122.11.2. The Contractor shall serve written notice on the Authority of its intention to exercise this option. The provisions of Clause 122.3 will then apply to any loss subsequent to the loss in respect of which the Contractor has exercised its option and the process will recommence.

122.12. Authority Variation

122.12.1. The Authority may during the Contract Period determine that

CONTRACT A

the Required Insurances are no longer sufficient to protect the Authority's interest. In these circumstances the Authority will be entitled to require the Contractor to purchase additional insurance cover to give the Authority the protection it has determined is needed. This will be deemed to be a Authority Notice of Change pursuant to the provisions of Clause 107 (Authority and Contractor Change). For the avoidance of doubt, the requirement to increase the insured amount as detailed in Clause 122.13 (Increase in Insured Amounts) is not subject to the provisions of this Clause 122.12 (Authority Variation).

- 122.12.2. In the event of additional insurance covers being purchased by the Contractor in accordance with Clause 122.12 (Authority Variation), the provisions of Clause 122.2 (Uninsurable Risks) shall apply to such insurances.

122.13. Increase in Insured Amounts

The limit of indemnity in respect of the insurance procured pursuant to paragraph 3.2 of Part 2 of Schedule 36 (Required Insurances) and the maximum deductibles for each of the Required Insurances shall be Indexed, provided such limit of indemnity shall only be increased on each renewal date such that the limit that is Indexed becomes equal to or exceeds the next whole insurable amount or deductible available in the insurance market.
