Nottsbus On Demand is a flexible, on demand
bus service, that will take you to all your favourite
entertainment spots in Newark. You can choose
when you would like to travel by booking your
journey through an easy-to-use app or by calling
us on 0115 804 0404*.

Buses are available to book **Monday to Saturday**
between **7.30pm and midnight****, so it's never
been easier to plan a night out.

Whether you're going for a romantic meal or grabbing a
pint and a movie with friends, our **Nottsbus On Demand**
service will get you there and back.

Nottsbus On Demand doesn't have a fixed route,
our buses can travel anywhere between bus stops and
designated points within the Newark Evening Zone, where
there is not already a scheduled bus service running. Our
smart technology will match your journey with other
customers travelling in the same direction so you can be
picked up along the way.

**Using the app to book a journey
with Nottsbus on Demand is easy:**

- 1 Scan the QR code on the back of this leaflet to download
the Nottsbus on Demand app from your smart phone's
app store and click 'Get Started' to register your details.
You'll also be asked to choose whether you want to pay
for your journeys with a debit or credit card via the
app, or with cash when you get on the bus. If you have a
concessionary pass you can add this to your user profile
under 'Special settings' in the app and then select 'Pay on
board/Concessionary pass' as your payment method. You
can change these details or add a new payment method
in the app at any time.
- 2 When you're ready to book a journey, simply open the
app and select how many people will be travelling on
the 'passenger' section. On the 'schedule' section select
your preferred pick up or arrival time, as this will let
you make an advance booking. If you need to reach your
destination for a specific time, we recommend selecting
'arrive by' when making your booking. Our clever app
will then work out your estimated departure time. If the
'schedule' section is not amended, it will search for the
next available bus for your journey.
- 3 Proceed to selecting your pick-up and drop off points
and the app will work out the bus stops or designated
points that are closest to the locations you have
provided. These may be a short walk so make sure you
check the locations in the app.
- 4 To confirm a journey simply click 'Book This Journey'.
Then when it's time, make your way to your pick-up
point and wait for one of our friendly drivers to arrive
to take you to your destination. You can even track the
progress of your bus via the app.

* Phone line available Monday to Thursday 8.30am to 5pm and Friday
8.30am to 4.30pm. Phone line will be closed on bank holidays.

** Excluding bank holidays.
