**Nottsbus On Demand** is a flexible, on demand  
bus service, that will take you to all your favourite  
entertainment spots in Mansfield. You can choose  
when you would like to travel by booking your  
journey through an easy-to-use app or by calling us  
on 0115 804 0404\*.

Buses are available to book **Monday to Saturday**  
between **7.30pm and midnight\*\***, so it's never  
been easier to plan a night out.

Whether you're going for a romantic meal or grabbing a  
pint and a movie with friends, our **Nottsbus On Demand**  
**service will get you there and back.**

**Nottsbus On Demand** doesn't have a fixed route,  
our buses can travel anywhere between bus stops and  
designated points within the Mansfield Evening Zone,  
where there is not already a scheduled bus service  
running. Our smart technology will match your journey  
with other customers travelling in the same direction so  
you can be picked up along the way.

**Using the app to book a journey with Nottsbus on  
Demand is easy:**

- 1 Scan the QR code on the back of this leaflet to download  
the Nottsbus on Demand app from your smart phone's app  
store and click 'Get Started' to register your details. You'll  
also be asked to choose whether you want to pay for your  
journeys with a debit or credit card via the app, or with cash  
when you get on the bus. If you have a concessionary pass  
you can add this to your user profile under 'Special settings'  
in the app and then select 'Pay on board/Concessionary  
pass' as your payment method. You can change these details  
or add a new payment method in the app at any time.
- 2 When you're ready to book a journey, simply open the  
app and select how many people will be travelling on the  
'passenger' section. On the 'schedule' section select your  
preferred pick up or arrival time, as this will let you make an  
advance booking. If you need to reach your destination for  
a specific time, we recommend selecting 'arrive by' when  
making your booking. Our clever app will then work out  
your estimated departure time. If the 'schedule' section is  
not amended, it will search for the next available bus for  
your journey.
- 3 Proceed to selecting your pick-up and drop off points and  
the app will work out the bus stops or designated points  
that are closest to the locations you have provided. These  
may be a short walk so make sure you check the locations  
in the app.
- 4 To confirm a journey simply click 'Book This Journey'. Then  
when it's time, make your way to your pick-up point and  
wait for one of our friendly drivers to arrive to take you to  
your destination. You can even track the progress of your  
bus via the app.

\* Phone line available **Monday to Thursday 8.30am to 5pm and Friday  
8.30am to 4.30pm. Phone line will be closed on bank holidays.**

\*\* Excluding bank holidays.
