

# Kinship Support Service

Children and families at the heart

## Kinship Forum

Are you a kinship carer and want to help shape services and support in your area?

We have started a 'kinship forum'; a space to share your views about the support needs of kinship families and help to make changes to the services that support you.

For more information and our next meeting date please contact  
[kinshipsupport@nottscc.gov.uk](mailto:kinshipsupport@nottscc.gov.uk)
