# Happy New Year from Inspire College!

Happy new year from all of the Inspire College team. We hope you enjoyed the Christmas break and can't wait to see what 2025 has in store!

January means you might also be thinking about your next steps after Year 11. If you're not sure that big colleges or A-levels are the path for you, our small class sizes and inspiring subjects can help you get ready for work, further education, and life!

## In this newsletter:

- Reasons to choose Inspire College
- Opportunities at Inspire
- Traineeships
- Open days

**Don't just take it from us!**

You can find testimonials from our learners in our prospectus and on our website.

Get cooking on our Hospitality and Catering courses!

# Reasons to Choose Inspire College

We think there are loads of great reasons that our learners choose us, but we've narrowed it down to the best bits:

- Small class sizes
- Experienced staff who care about your progress and wellbeing
- Individualised support
- Inspiring courses in a range of subjects - plus work placements, volunteering opportunities, and fun trips!
- Earn as you learn - you can earn up £100 a month just for studying with us (and child benefit is not affected).
- Public transport travel expenses are covered or reimbursed!
- Our GCSE resit rates are above the national average
- Ofsted Good Provider

## Brand new venue at High Pavement House!

Be one of the first to learn at High Pavement House in Sutton-in-Ashfield, with a state-of-the-art kitchen, modern facilities and a great choice of courses to help you take the next step.

We enrol all year round - so if you can't wait until September 2025, contact us to find out more about enrolling now!

# Traineeships

Want to get your foot in the door of your dream career? If you're aged 16-24\*, and want to spend less time in the classroom and more time in a real workplace, a Traineeship could be for you!

Traineeships can last up to a year, enhance your CV, and will include:

- Work preparation and employability with Inspire College
- An English and Maths qualification
- A high-quality work experience with an employer
- Support from an Inspire tutor, as well as a work placement mentor.

**Find out more at [inspireculture.org.uk/traineeships](https://inspireculture.org.uk/traineeships)**

"It's been a fantastic placement, I've got on well with everyone here and I've built up my confidence by doing things I've not done before. It's been a fantastic taste of what work in the engineering world is like. It's quite fascinating, really."

**Kieran, Traineeship Placement at Unity Engineering**
