Admissions Policy Appendix 2027-2028

Date of issue: 11/12/2025

SELSTON HIGH SCHOOL | Ambition | Teamwork | Honesty

Introduction

This appendix should read in conjunction with the overarching Admissions Policy for The Two Counties Trust. The document sets out the localised information for admissions for Selston High School.

Published Admission Numbers

The Published admission numbers for intake in year 7 are 180.

Oversubscription Criteria Year 7 - 11 - Selston High School.

1. Looked After Children and all previously Looked After Children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children living in the normal area served by the school at the time of application and admission who have brothers or sisters attending the school at the time of application and admission.
3. Children living in the normal area served by the school at the time of application and admission.
4. Children who live outside the catchment area but who are attending one of the linked primary schools in Selston High School's family of schools on the closing date for applications preceding admission to secondary school and who will have a brother or sister at Selston High School at the time of admission.
5. Children not living in the normal area served by the school but who have brothers or sisters attending the school at the time of application and admission.
6. Children who live outside the catchment area but who are attending a linked primary phase school on the closing date for secondary applications.
7. Other children whose parents/carers have requested a place.

Post-Sixteen and Sixth Form Admissions

Schools have delegated control of their own sixth form admissions. Information is available on post-sixteen provision.

There is no post-sixteen provision available at Selston High School.

Catchment Areas

Catchment area details are detailed in the links below or by visiting the residing authority websites.

Measurement of Distance

Derbyshire:

The Children's Services Department has a Geographic Information System (GIS) to measure the straight-line distance. It is measured by a standard straight-line distance calculated to within two metres. This measurement is taken from the postal address file, normally the house front door. For schools, the grid reference is taken from the postal address file and will normally be the nearest gate or entrance.

- Frederick Gent-one gate plotted
- Friesland-two gates plotted
- Heritage High- one gate plotted
- Springwell-two gates plotted
- Swanwick Hall-three gates plotted
- Wilsthorpe-three gates plotted

This is also the measurement used for in-year admissions in Derbyshire.

Nottinghamshire:

- Distances are measured from the main administrative point at the school campus to an address point (using eastings and northings as defined by Ordnance Survey) to the child's home using Nottinghamshire County Council's computerised distance measuring software. In the event of two distances being equal, the County Council will measure to the next decimal point.
- This is also the measurement used for in-year admissions in Nottinghamshire.

At the time of admission

A brother or sister (as defined in point 2) who will be in Year 7 - 11 at the time of admission.

Link/Feeder Primary Schools

Selston High School
