The information in this document gives a summary of oversubscription criteria for schools in the district. For more detailed information on the application process, you should refer to *Admissions to schools: Guide for parents*.

The application breakdown at the back of this document is based on information on national offer day 16 April 2025. For academy, foundation and voluntary aided schools which were oversubscribed in the intake year for 2025-2026 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (August 2025) but is subject to change.

Infant to junior transfer (year 3) allocation summary - applications for year 3 places 2025-2026

For academy, foundation, studio and voluntary aided schools which were oversubscribed, it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of how places were allocated against the oversubscription criteria, you should contact the school for further information. The information is based on national offer day 16 April 2025. (Published admission number = number of places available; no longer required = higher preference has been offered)
