

Adoption Statement for the Nottinghamshire and Nottingham Waste Local Plan

In accordance with Regulations 17, 26 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012, notice is hereby given that the new Nottinghamshire and Nottingham Waste Local Plan was adopted by Nottingham City Council on the 8th of September 2025.

The Nottinghamshire and Nottingham Waste Local Plan covers the whole administrative area of Nottinghamshire and Nottingham and provides the land use planning strategy for waste development up to 2038. It is the basis for determining waste applications within both authorities, with any relevant proposal assessed against its policies. It replaces entirely the Nottinghamshire and Nottingham Waste Core Strategy (adopted 2013) and the saved policies of the Waste Local Plan (adopted 2002). The Waste Local Plan forms part of the Local Development Framework for Nottingham City Council.

The Waste Local Plan was subject to an independent Examination in Public from March 2024 to June 2025, undertaken by Inspector Stephen Normington who was appointed by the Secretary of State, . The Inspector's Report was issued on the 10th of June 2025 and concluded that, with the inclusion of main modifications, the Plan is sound and legally compliant. The adopted Waste Local Plan incorporates all the recommended Main Modifications as well as Additional Modifications made by the Council's, which do not materially affect the Plan.

In accordance with Regulations 26 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended), the adopted Nottinghamshire and Nottingham Waste Local Plan, the Sustainability Appraisal Report, this Adoption Statement and the Inspector's report have been published and are available to view online on the County's [Waste Local Plan](#) webpage.

Paper copies of the Waste Local Plan are available at both Council offices of County Hall and Loxley House. If you cannot access the documents online or in these locations, please do contact us.
