

Letting people know how they can get involved and the difference their involvement has made

Communication

Spaces where Adult Social care listen to people who use its services to find out what is important to them.

Places for staff to learn about co-production and how to do it well.

Group of people and carers with lived experience who provide scrutiny and support.

Co-production

Projects

Developing
People

Groups working together to complete agreed tasks.

Places for people and carers who use adult social care to develop their skills and knowledge about co-production.

Partnership

Bringing groups together to strengthen voices, share learning and drive co-production further.
